## From Inspiration to Execution: How Generative AI is Shaping Startup Growth Journey

iDEA, Bangladesh, and Microsoft Azure are coming together to host a Microsoft Tech Webinar. This webinar will serve as a platform for facilitating engaging discussions bringing together start-up founders, students, developers, and tech enthusiasts, providing insights on Generative AI and how Microsoft can assist in scaling start-ups & developers.

We look forward to seeing you at our webinar and helping you take your startup to the next level!

## About iDEA, Bangladesh

The "innovation Design and Entrepreneurship Academy (iDEA) Project" implemented by the Bangladesh Computer Council (BCC) under the ICT Division is moving forward with a firm belief in building a startup culture in Bangladesh since 1 July 2016. The main objective of the project is to establish an innovation ecosystem and entrepreneurship culture in Bangladesh.
