From Inspiration to Execution: How Generative AI is Shaping Startup growth journey

Microsoft and JECRC are coming together to host Microsoft AI Day. The event will serve as a platform for facilitating engaging discussions bringing together start-up founders, investors, and enthusiasts, providing insights on Generative AI and how Microsoft can assist in scaling start-ups.

Please note that this event is invite-only and exclusive to start-up founders. We look forward to seeing you at our event and helping you take your start-up to the next level!

About JECRC

JECRC Foundation, a name trusted for 24 years. Our commitment to innovation shines through with 65 patents filed, 54 published, and 3 granted, paving the way for groundbreaking discoveries. As the first university in India recognized by NITI AAYOG as a Mentor Academy for 264 schools in Rajasthan, we're shaping the future of education. With over 22,000 alumni spanning 35 countries, our global impact is undeniable. Experience unparalleled opportunities with 5,500+ paid internships and 10,000+ campus placements in the last 5 years. Attracting students from 29 states and union territories, we foster diversity and inclusivity. JECRC Incubation Center (JIC) leads the way in entrepreneurship, recognized by the Ministry of Electronics and IT under the TIDE 2.0 Scheme. Collaborating with 35+ distinguished corporations, we offer 55+ specialized programs, empowering our students to excel in every endeavor.
